

# CASE COORDINATION

Our team of Case Managers work with service members, veterans, caregivers, and their families by connecting them to the resources they need.

We are committed to providing the right help, at the right time, in the right way.

## HOW? OUR 6 STEP PROCESS

## WHAT MAKES US DIFFERENT?

- **IT'S NOT ABOUT THE NUMBERS.** It's about relationships. We don't close cases until every single need has been met and the client is on their way to self-sufficiency.
- **WE DON'T TURN PEOPLE AWAY.** We help regardless of their geographic location, military branch, discharge status, service era, and much more. Everyone deserves help. No excuses.
- **WE KNOW, BECAUSE WE'VE BEEN THERE.** Our team is comprised of talented, knowledgeable veteran caregivers who truly understand clients' needs because of their real-life experiences.
